PART 8: Business Questions & Answers

1. Which product generated the highest revenue?

= **Home Item 48**

Generating over **$55 Million** in total sales, Home Item 48 leads all 334 products in total revenue.

2. Which store performed best?

= ShopSmart Lagos

ShopSmart Lagos recorded the highest total revenue among all retail stores, generating over **$301 Million**.

3. Which category sells the most?

= Beauty

The **Beauty** category is the top-performing category by revenue, generating **$476,794,289.44**

4. Which month generated the highest revenue?

= December

Peak sales occurred during the end-of-year holiday shopping period, with **December** achieving the highest single-month revenue line on the Monthly Sales Trend chart.

5. Which customers spend the most?

= Gold Membership Level Customers (High-Value VIP Segment)

Gold tier members maintain the highest average order value (AOV) and highest lifetime spend across all customer membership tiers.

6. Which products are frequently returned?

= Electronics and **Fashion** items

Electronics and Fashion categories experienced the highest cancellation and return percentages 33.8%–34.1%, primarily driven by sizing mismatches and technical return requests.

7. Which supplier supplies the highest number of products?

= Wilson (supplying 310 products).

Among all identified suppliers in the dataset, Wilson supplies the highest number of products with 310 SKUs, followed closely by Johnson with 277 products.

(Note: Excluding "Unknown Supplier" which accounts for unassigned items)

8. Which stores have low inventory?

= ShopSmart Enugu, **ShopSmart Awka**, and **ShopSmart Asaba**

These regional branch stores display the lowest stock-to-sales ratios and require urgent inventory rebalancing to avoid stockouts during high-demand months.

9. Which region performs best?

= **Northern / North-Central Region** (led by **Kano State** and **Abuja FCT**)

Kano State generated the highest regional revenue (**$274,224,303.30**), followed closely by **Abuja FCT** (**$235,018,270.46**).

10. Which product category should management invest in?

= Beauty and **Fashion**

Management should prioritize capital allocation toward **Beauty** (highest total revenue at **$476.8M**) and **Fashion** (strong consumer demand and steady sales margin), while implementing quality control to manage Fashion's return rate.
